PLEASANT RUN FARMS BOARD MEETING MINUTES

A Board Meeting of the Pleasant Run Farms Civic Association was held Thursday, March 16, 2017 at John Wesley UMC. Attendees were Skip Wicklund, Ed Mayer, John Buschmann, Monica Bowles, Erin Knox, Connie Fears and Al Eichorn. Following are the minutes from the meeting.

The meeting was called to order at 7:04pm.

Pool (Erin Knox):

The pool has a workday scheduled for Saturday, March 18, to work on general cleanup and landscaping. She contacted Northwest High School for student volunteers but hasn't yet had any response. There will be other workdays scheduled this spring. She'll take volunteers any time, just contact her to coordinate on date and time.

The pool has an event scheduled for May 13 – Pleasant Run Through the Farms 5k. They've submitted information to the township regarding the event. The initial route has been revised a bit to avoid the road construction underway around Deerhorn and Forester. The current plan is to have the 5k begin and end at the pool. The township will advise on how many police hours are needed to run this event. Volunteers and sponsors (one so far, Kona Ice, who will be at the pool that day) are needed as well, please contact Erin if interested sponsoring and/or volunteering for this event.

Memberships have started to come in. Facebook ads have been run to promote the pool and the 5k. Expectation is that memberships will pick up more during April and May.

The last information on the swim team is that they have decided to disband. Unless another person steps up to run the swim team, there won't be one this year. If the team disbands, there will be equipment to either sell or store for future use, although the thought is that it would be better to sell at a reasonable price today than store and possibly never use the items. Without a swim team, there will be opportunities to do more things at the pool during the time frames that the team previously used the pool.

Discussion was held regarding ability to send information about the pool home with Welch students. Previous attempts to do that were denied by the school district, but Erin is willing to try again for this year.

Some community feedback has been that swim lessons are desired. Erin stated that this opportunity has always existed; it's a matter of arranging the times and number of lessons with one of the lifeguards. The board discussed the idea of having the pool organize group lessons to be held at a time convenient for families, most likely Saturday mornings.

Skip Wicklund (president) asked for some pictures of the areas around the pool that Erin would like to be landscaped. He'll take them to a contact with the Cinti Garden Society for advice on types of plants given the area; and considering that the plants would look nice and won't generate leaves that would wind up in the pool.

Skip also mentioned desire to be involved in decisions about paint colors and signage for the pool. He had earlier forwarded information on a sign and banner company he's used in the past with his own business. His thinking is that something other than painting a sign onto the building should be considered.

April Memo:

The board discussed items to be published in the April Memo. This issue will be printed and delivered to every house in PRF. The deadline for ads and articles is March 24.

Community Activities (Monica Bowles):

Discussion was held regarding the Easter Egg Hunt. It will be held on Sunday, April 9 at 1pm. There will be a prize winner in each age group; as well as some raffles (tickets for sale that day at the hunt). Monica is asking for volunteers and donations.

Monica also mentioned Great American Cleanup, no date set yet for PRF, but she'll contact the township for more information on this event.

A question was asked about the pool renting out parking stalls for the neighborhood yard sale; and the answer is yes. It was also decided that this event may return to how it was run in prior years, with residents paying a small fee to have their home address and overview of items listed in a flyer that will be available at the pool that day.

PLEASANT RUN FARMS BOARD MEETING MINUTES - continued

Continued from previous page

President (Skip Wicklund):

Skip mentioned the recycling dumpster at the ball field and whether or not to let it remain there. If it stays, it should have a fence around it rather than let it just sit out in the open. If it goes, it would free up a couple parking spots. Athletic Director John Buschmann mentioned a few pros and cons with this idea, but he said he's okay with the dumpster leaving. The board, in a unanimous vote, agreed to have the recycling dumpster removed from the ball fields. John stated that he will work with Rumpke to obtain a couple of individual recycling bins to have around the fields.

Skip mentioned that he recently learned that Springfield Township police are being trained in a higher level of medical first aid, since they're typically the first emergency personnel on the scene. This is more than basic first aid, but not as advanced as the training that EMT's have. So far, 20 township officers have been through the training.

Skip stated that the township is working, in conjunction with People Working Cooperatively, on a program to help residents who are seniors and/or disabled keep their homes up properly. Skip stated that he's noticed some homes around PRF need painting and/or other general repairs. Some might be eligible for the help through the township. He stated he would check with Matthew 25 Ministries about opportunities to buy some of their re-mixed paint. Skip stated he would like to look into finding discounts from other vendors as well. These discounted materials could be helpful for residents who may need a little assistance with obtaining materials they need at a better price than retail.

Skip mentioned that he's spoken with township personnel regarding signage for PRF entryways. He said the township feels the main gateway into the PRF is at Mill and Forester, by Clifford George Field. However, the board also thinks other gateways and the pool should have similar signage.

The new PRF tri-fold brochure is mostly completed. Skip provided copies of the latest version from the graphic designer who has been working on this. (The designer is a recent college graduate who is assisting us with this item – for a nominal fee – before she enters officer's training with the Army Reserves.) The board discussed the brochure and made a few suggestions for revisions. The next round of changes should complete the trifold and it'll be ready to go to print. Skip stated that he will look for a low-cost printing vendor.

Treasurer (Ed Mayer):

Ed distributed the March report. As of March 16, there's a balance of \$5458.36.

Discussion was held regarding the monthly meetings, as some board members are unable to meet on the 3rd Thursday. The board members in attendance agreed on a new schedule of the 3rd Tuesday each month.

Athletics (John Buschmann):

Pitch Hit & Run will be held on April 30. Winners will advance to city sectionals on May 21. Information on this event will be published in the April Memo.

Spring sports will soon be underway. There will be around 14 teams this year, playing softball, baseball and t-ball. Practices begin next week, weather and field conditions permitting; and games will begin in April.

The road project may impact the fields a bit, such as with equipment being stored on the parking lot and/or with ease of ability to drive in and out of the area around the ball fields, however the sporting season will go on and PRFAA will work around construction activity in the area.

Secretary (Connie Fears):

The April board meeting will be a General Association Meeting. It will be held on April 27 at 7:30pm in Dunlap Hall at John Wesley United Methodist Church. Our normal meeting place is at Welch Elementary, but another group has use of that space on April 27.

Being no further business to come before the Board, the meeting was adjourned at 8:55pm.

Connie Fears, Interim PRFCA Secretary

PLEASANT RUN FARMS CIVIC ASSOCIATION—NEWS IN THE FARMS

Hallelujah! Road construction has begun and is moving fast on Deerhorn, and part of Fallbrook and Fullerton. The portion of Forester from Mill Rd. to Elkwood will also be replaced. The new curbing looks fantastic. Construction should be completed by July 31st. Join us at our next PRFCA General Meeting on April 27th to hear Springfield Township representatives fill us in about future road construction in the Farms and how we can get our streets scheduled for repair. Also, if you'd like to have some of your sidewalk or driveway replaced during the construction you can call the road contractor, RA Miller (513-522-1410) and request a quote.

The Civic Association is working with Springfield Township on new gateway signs for the Farms. For durability, the township will be making the signs of Corian.

As many of you know, Welch Elementary will be closing in the fall of 2018. As of now, no determination has been made on the future use of the property. Your Civic Association will keep you informed of any announcements.

PLEASANT RUN FARMS SPRING SPORTS

PRF's Spring Sports season is just getting underway, and we're looking forward to yet another great season. 2016 was a tremendous success both on and off the field. Our teams won over 60% of their games for the second consecutive year, and we posted multiple division champions. We continued to grow -- adding a second select baseball team to compliment our recreational program -- and we anticipate growing even more in 2017.

The upcoming season will feature a total of 14 teams calling Clifford George home. We'll have six recreational baseball teams, two select baseball teams, four T-Ball teams, and two softball teams. On the coaching front, we're happy to welcome Mike Koon to baseball coaching ranks. Mike was an assistant for Matt Ashcraft last year, and will take the head job for 2017. Nick Metz and David Tye have graduated from T-Ball, and will coach our youngest baseball and softball teams, respectively. We're also happy to welcome back Rich Wisecarver. Rich was a T-Ball mainstay, and has come back to PRF after a one-year hiatus. His 8u select baseball team begins their season April 5th at Clifford George. Tim Higgins, Jeanna Collinsworth, Chris Rowland, Jason Katz, and Matt Heller are all returning as head coaches of their respective teams for 2017. We could not be happier to have everyone back.

Due to construction at PRE and PRMS, we are happy to be using Clifford George as both a game and practice facility this year. Expect to see the corner of Forester and Mill packed almost every night for the next few months. Our recreational baseball season gets swinging on Saturday, April 8th, and softball begins the following week. T-Ball will get going on Friday evenings in April, and our 15u select baseball team starts in late May -- after high school baseball ends. If you want some free entertainment during the week, or on a Saturday, swing by Clifford George and check out a game. We take a lot of pride in the success of our sports programs, and we love being a part of the Pleasant Run Farms community.

Also, once again this season, Clifford George will play host to a local Major League Baseball's Pitch, Hit, and Run competition. Things get started on Sunday, April 30th at 1:00 p.m. The competition is free, and is available to any boys or girls ages 7-14. Please google "MLB Pitch, Hit, and Run" for more details and information.

Matt Heller, PRFAA Baseball Supervisor

PITCH HIT & RUN COMPETITION

Pleasant Run Farms Athletics Association is sponsoring a Pitch Hit & Run competition on Sunday, April 30 at 1:00 pm at Clifford George Fields. The competition is free and open to everyone that was born between July 18, 2002 and July 17, 2010. There are 4 age brackets (7/8, 9/10, 11/12 and 13/14) in both baseball and softball for a total of 8 competitions. Each participant throws 6 pitches, hits 3 balls off the tee and runs for time from second to home. Local winners then advance to the City sectional which will also be held at Clifford George Fields and the winners of the city sectional have the chance to compete at Great American Ballpark prior to a Reds game. The winners of the Reds Team Championship will have their scores compared to other team champions for a chance to compete during All Star festivities at Marlins Park in Miami, Fl.

We have had several local children get the lifetime experience of advancing to Great American Ballpark and to win there as well. Only rules are we need a copy of a birth certificate and that no metal spikes are allowed to be worn. Come out and give it a chance.

We are also sponsoring a MLB Jr. Home Run Derby at approximately 2:00 pm on Sunday, April 30 at Clifford George Fields. There are two competitions for children 12 and under and those 13-14. This is also a free event where participants try to hit as many home runs as they can.
