The meeting was called to order at 7:32pm. Seven members of the community were present.

President: Kevin Puccini – Nominations for PRFCA board positions were held: Erin Knox was nominated for Pool Director, and Linda Boylson was nominated for Membership Director (changing from Community Activities Director). All other positions remaining the same. Vote was held, with a unanimous vote for all positions.

Vice President: POSITION REMAINS OPEN AT THIS TIME. If interested in this position or questions, please contact Kevin Puccini.

Treasurer: Ed McNett reported membership at this point in 2014 has improved over the previous year, therefore budget is off to a good start. Reviewed end-of-year budget 2013 and financial report for January 2014 budget to be discussed in more detail at next month's meeting. Treasurer's report was voted on and accepted by the board.

Secretary: Christina Norris reported the PRFCA scholarship applications will be available online beginning Feb. 1<sup>st</sup>, with a submission deadline at end of March. Winner to be announced at the April General Meeting.

Athletic Director: John Buschmann sat in tonight to give report, as Athletic Director's position is currently open. Signups for spring sports are now underway. A mailing has gone out regarding registrations. Already ordered and received a great deal of new equipment for this year. Can refer to PRF website for additional information on spring sports and registration.

Communications: Venita Vivians advised January's memo was a hard copy memo; February's will be an electronic distribution. Ads and articles will be due by this Saturday. Memo to be emailed weekend of February 1<sup>st</sup>. Discussed articles needed for February memo.

## JOINT ECONOMIC ISSUE ON THE BALLOT—MAY 2014

Township Trustees Place Joint Economic Issue on the Ballot for Voters to Decide  
Voting May 6, 2014 Primary Election

### Background

Springfield Township is a diverse community with many distinctive neighborhoods. Because of its location and amenities, Springfield Township is a predominantly residential community. Approximately 60% of the Township's land use is residential, 30% is used for purposes which are exempt from paying any property taxes (schools, churches, Hamilton County Park District) and 10% is business. Springfield Township, like all townships in Ohio, has historically received the revenue it requires to provide services to its residents from property taxes enacted by Township residents, estate taxes paid by Township residents, and revenues it receives from the State.

### Financial Challenges

In 2011, the State Legislature dealt the Township a devastating blow by enacting sweeping changes to Ohio law which eliminated a majority of the Township's state funding sources. These legislative changes completely decimated all of the Township's financial planning and its 5-year budget projections. With these changes and over only a 2-year period of time, the State Legislature eliminated the estate tax, the tangible personal property tax, the public utility tax, and reduced the Township's share of Local Government Fund revenue by over 60%. Since 2013, these reductions amount to a loss of nearly 2.5 million dollars in Springfield Township each year. More than \$2 million of the reduction in revenues is in the Township's General Fund and depletes that fund by more than half of its total annual revenue.

### Budget Cuts Made

Through tailoring services and programs to those deemed critical to the residents, eliminating staff by consolidating job tasks and positions, reducing employee benefits, instituting "user pays" fees for parks and recreation, modifying senior center rental fees, and creating innovative operational, programming, and internal consolidation efforts, the Township reduced General Fund expenditures by 35%. Even with these changes, there is not enough funding to sustain current operations without additional revenue.

# Journey to Wholeness

## *Restored in Christ*

‘Consider it all joy, when you encounter various trials, for you know that the testing of your faith produces perseverance...so that you may be perfect and complete.’

– *James 1:2-4*

### A Lenten Study that is a joint effort of:

+ Augsburg Lutheran Church + St. John Neumann Catholic Church +  
+ Pleasant Run Presbyterian Church + John Wesley United Methodist Church +

## Christians on the Journey Together

Mark your calendars for the Tuesdays of Lent

Each topic is offered twice, once at 10:30 am and then again at 7:00 pm.

March 11 Broken Hearts at Augsburg Lutheran

We journey into the season of Lent with Broken Hearts as a result of sin. This study will look at Joel 2:12-14 and also at Jesus' teachings concerning forgiveness and God's grace.

March 18 Broken Trust & Broken Promises at St. John Neumann

In Matthew 26:14-25 Judas breaks his trust with Jesus by betraying him; our broken trust is restored through the sacrifice of Jesus on the cross. Peter's broken promises to never deny Jesus are restored by the surpassing love of Christ (Matthew 26:69-75).

March 25 Broken Justice at Pleasant Run Presbyterian

A broken system of justice crucified Jesus; yet this was God's plan. In Jesus Christ a way was made for the grace of God to deliver us from the wrath of God and (at the same time) fulfill the justice of God. Saved by this grace, we are called to work together to seek justice and enact kindness in a broken world.

April 1 Broken Curtain at John Wesley

The fourth week of our study will look at the curtain in the Holy of Holies, that century's old divider between God and humankind. At Christ's death on the cross the curtain is torn (Matthew 27:51), the barrier between humanity and God is broken. Join us as we discover more about this curtain and how this brokenness is good

April 8 Broken Bread at Augsburg Lutheran

Bread is broken at the Last Supper. In John 6:48-58, we learn how we are restored through the Bread of Life, Jesus

## JOINT ECONOMIC ISSUE ON THE BALLOT—MAY 2014

(continued from page 4)

Springfield Township has engaged its residents and businesses for over a decade in determining the course of the Township and the services it provides. The Township knows what the residents expect in terms of service. However, the Township also knows that its property tax revenues and the dramatically reduced state revenues it receives will not enable it to provide those services for more than a few more years. For this reason, the Board of Trustees and the administrative and departmental leadership of the Township spent the majority of 2013 focusing on how to bridge this gap. All in all, it came down to increase revenue or drastically reduced services. Given the amount of the financial gap and the reductions in service that have already taken place, the Board of Trustees had no real choice—it had to raise revenue and do so relatively quickly.

### Choices

Only 2 methods are available to townships to increase revenue: (1) increasing property taxes on the 70% of Township property owners (residents) who are already shouldering the burden of paying for Township services; or (2) creating a Joint Economic Development Zone (JEDZ) in which a tax could be imposed on the payroll and net business profits of businesses located within the zone. The Board of Trustees chose to pursue the creation of a JEDZ because by doing so, the tax burden on Township residents could be reduced, while some of the businesses and employees who pay no property taxes to the Township in return for the services they receive would be required to pay the tax. The Trustees also decided to create a Community Improvement Corporation (CIC) to provide financial grants to Township residents who work in the JEDZ area (and would be subject to the JEDZ tax) to encourage them to continue to live in the Township.

### Details of The JEDZ

The Township worked with the City of Mt. Healthy to create the JEDZ and agreed that if the JEDZ was created, a tax rate of 1 1/2 percent could be posed. The decision on whether the JEDZ is actually created and the payroll tax imposed on businesses and employees within the JEDZ area will ultimately be made by the residents of Springfield Township, who will vote to approve or reject the JEDZ on May 6, 2014. If the JEDZ is approved, the revenue generated from the JEDZ payroll tax will not fill the entire financial gap created by the State Legislature's sweeping cuts in the Township's state revenues. But it will allow the Township to continue its current level of services to its residents while it implements its current long-range revenue-producing plans and develops others. For instance, in the next 5 to 10 years, the Township will continue to pursue providing services to adjoining communities through shared service agreements, pursue legislative changes needed to internally consolidate at least some of the Township's fire/police services, pursue legislative changes to the manner in which Township levies are structured so that residents can vote to establish a combined Township services levy' and pursue the completion of critical aspects of the Township's Comprehensive Neighborhood Master Plan and continued economic development efforts. Only through a combined, and ever-evolving strategy and planning can the Township achieve long term financial stability while continuing to provide its residents with the excellent public services they expect.

Residents who do not work in Springfield Township will NOT be affected by the 1.5% earning tax. Residents working in Springfield Township will be able to apply and receive a grant through the CIC in the amount that was paid into the JEDZ. Those working in Springfield Township who live in another community, will be affected by the tax. Depending on where they live, they may or may not see a change in their pay.

### Impact of Failure:

If the JEDZ and other major initiatives identified above are not passed/implemented. Township residents and businesses will see a dramatic difference in the Township where they live and work and which they helped to create. The financial gap is simply too large for it to be otherwise. The Township has already cut 1.7 million dollar in expenditures. A further 2.5 million dollar cut each year simply cannot be achieved without very real and very drastic reductions in personnel and services. There will be no other entity to "pick up the slack." The Township will be unable to meet many of the statutorily-required duties that impact all departments and services to the community, including debt obligations. Long term, property values and the quality of life in the Township will be diminished. School districts will be negatively impacted. Neighborhood parks will be closed. Greater demands will be placed on the county and state governments to provide services which they do not currently provide, with fewer and fewer tax revenues coming in to pay for them.

## PLEASE JOIN THE PRF CIVIC ASSOCIATION

Here's why:

The membership pays for itself when you use member discounts at local merchants, i.e. 25% off regular menu price at Papa John's on Kemper Road, 10% off Skyline Chili on Kemper Meadows, to name a few.

Because our neighborhood has a working Civic Association, we have an effective voice with Springfield Township. Here are some of the items that were discussed at previous meetings:

- Potential uses for Welch Elementary if the Northwest District would close the school.
- Retail redevelopment on Hamilton Avenue.
- Ways to preserve our neighborhood pool.

Your membership fee helps pay for the insurance necessary to preserve and protect the Greenbelt. You will have voting rights at association meetings. Also, the publication of the neighborhood newsletter, "The Memo" is supported mostly by your membership fee.

The Civic Association members help ensure community events and opportunities continue, maintaining a high quality of life and protecting the value of our homes and neighborhood.

Some other things your Pleasant Run Farms Membership dues support:

- Scholarship Fund
- Landscape Contest
- Neighborhood Garage Sale
- 4th of July Parade

## Pleasant Run Farms Civic Association Mission Statement

Pleasant Run Farms Civic Association (PRFCA) exists to ensure a better quality of life for residents by offering a variety of volunteer opportunities for community involvement and commitment. The PRFCA does this by encouraging community awareness of Springfield Township resources, youth athletic programs, and a community swimming pool: and in offering a schedule of social activities giving membership/residents a way to "get to know each other."

PRFCA provides a variety of leadership opportunities for those who choose to get involved. Past leaders have contributed many benefits for community improvement such as liaison with Township on planning projects and maintenance of our commonly held Green space, communication with residents via the Memo or on the Website. PRF property values are enhanced by the existence of a Civic Association and would be further enhanced with increased membership. A strong Civic Association benefits the entire community and is what separates us from being "just another neighborhood."

PRFCA membership is currently open to any family or family member who would like to become involved in their community. Opportunity for involvement is never ending from serving on the Civic Association Board to coaching to helping out with several of the social activities offered.
