# PRF SPRING SPORTS

As the calendar flips to July, our spring sports season is winding down. It's been a very successful year for PRF's Baseball, Softball, and T-ball programs. We were able to field 14 total teams, and we've hosted the Cincinnati Bulldogs 15U select baseball team at Clifford George.

T-ball recently wrapped their season with our second annual "Pitch, Hit, and Run" competition and party. Our T-ball program has seen such a significant increase in participation that we've already begun discussing further expansion for next year. Special thanks to Commissioner Tim Higgins, Matt Ashcraft, Rich Wisecarver, Kevin Bivens and all of their assistants for another great year of T-ball. Their hard work and dedication is helping to keep our program strong from the ground up.

For all of our younger teams, softball's regular season has been completed and tournament play is ongoing. Our high school team is in the thick of their season, and will continue to play games at Clifford George throughout the month of July. Come out and support the Lady Panthers as they work towards finishing another great year. Thanks to our coaches—Marc Singleton, Jeanna Collinsworth, Kevin Roberts, and Stacey and Richard Taylor—for all that they've done.

Baseball took a major step forward in on-field success this season, having compiled a .585 winning percentage as of press time. Our high school team is gunning for their third consecutive NWBR Championship, and will begin tournament play after the July 4th holiday. Our B1 team has won their first two tournament games, and has a great chance to bring home an NWBR World Series title. C1 is also still alive, and has clinched, at least, a 3rd place finish in the Jim Boyle tournament. Thanks to George Walker, Mike Stone, Derek Shaefer, Tim Ballman, Tony Wendland, Matt Heller, and all of our assistants for doing a great job of coaching this year.

It truly has been a great spring sports season. In addition to our coaches and assistants, we'd like to thank Linda Boylson, all of the concession works, John Corso, our umpires, and everyone else that spent a few minutes helping out in any way. Finally, we'd like to recognize John Buschmann for all that he does for PRF Athletics. Whether he's cutting grass, making phone calls, or balancing the checkbook—John is always there to keep things running smoothly.

Matt Heller, PRF Baseball Commissioner

# CONCERNED RESIDENT—STREET REPAIRS

Dear PRF Residents,

Have you heard the saying "The squeaky wheel gets the oil?" That seems to apply to the services received in our community. There were pot-holes in my street. I called to have them repaired and Springfield Township Maintenance responded. I called concerning the gravel and debris left in our circle from the snowplow cleaning our street last winter. Again, they responded in a timely manner.

From the appearance of some of our streets, we need more "squeaky wheels." When you call, they will come. I remember a time when services of this nature were rendered without a call. If that's what it takes to put our tax dollars to work in this part of Springfield Township, please start squeaking.

Sincerely, Concerned Resident
